

# Membership Information and Benefits

The ISSTD is the world's premiere international trauma society. It is a disciplined, forward looking internationally connected society of colleagues that provides a wide range of member benefits to make ISSTD your professional home including:

- Frontiers in the Psychotherapy of Trauma & Dissociation Clinical E-Journal edited by Andreas Laddis, MD
- Access to ISSTDWorld, ISSTD's new online community platform
- Complete online access to 19 volumes of the Journal of Trauma & Dissociation research focused publication where members can also apply to contribute research articles
- Cutting edge webinars and access to the webinar library (over a \$500 value)
- A members' only online book club featuring internationally recognized authors
- Listing in Find-a-Therapist Search
- The Professional Training Program with teleseminar training courses where students and instructors gather from all over the globe
- Reduced pricing for all ISSTD trainings and conferences
- ISSTD Certificate of Trauma Advanced Studies in Trauma and Dissociation
- Access to diagnostic tools
- Special Interest Groups

## Membership Categories

### Student

Open to degree-seeking students, interns and trainees in the mental health field with an interest in trauma and dissociation.

### Emerging Professional

Open mental health professionals who have completed an advanced degree and are in the first three years of their career

### Professional

Open to professionals primarily involved in the provision of services, research, education, scholarship, writing or public policy in an area related to trauma and dissociation.

### Retired

Open to members who have retired from active practice or research who are at least 65 years of age and have been an active member in good standing for 10 years.

## Introducing ISSTDWorld The new Online Community Platform!

In October of 2018, ISSTD launched ISSTDWorld, the new online community platform for ISSTD members. Featuring a member's forum for discussion of emerging issues and topics of interest in the field, ISSTDWorld offers one place for members to find all of their benefits and connect with members across the globe. Also featuring an updated and expanded Find a Therapist Directory, ISSTDWorld connects members to each other and to the public.
